DANCE LIKE A DIPLODOCUS

Dance like a diplodocus,
Swaying through the trees;
Fly like a archaeopteryx ,
Soaring in the breeze.

Sprint like a gallimimus,
Striding through the land;
Hunt like a velociraptor,
Circling in a band.

Stomp like a stegosaurus,
Munching juicy shoots;
Chomp like an apatosaurus,
Crunching shoots and roots.

Roar like a T-rex,
Pouncing on its prey;
Run like triceratops,
Saying, 'Don't eat me today!'
