

Getting to Know your Neighborhood Trees

Here are some common trees planted along the streets and in our local parks.
Can you find any of these in your neighborhood?

Maple Trees

Red Maple

Norway Maple

Ginkgo Trees

Oak Trees

Red Oak

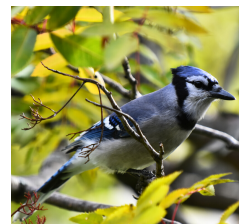

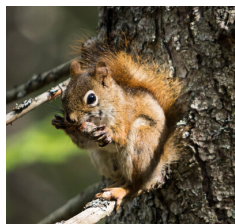

White Oak

Honey Locust Trees

Neighborhood trees are nice to have!

- Trees help clean the air and give off oxygen.
- Many animals like birds, squirrels and insects live in trees.
- Green growing plants in a neighborhood helps people relax!

Sweetgum Trees
