

Our Animal Neighbors

There is so much wildlife to discover in our yards and neighborhoods. Find a comfortable spot to sit and be very quiet for a moment. Do you hear birds or see a squirrel?

Take a walk around your neighborhood with your family and see how many animals and insects you can find!

...a frog croaking

...a butterfly flitting

...a gull flying

... a turtle basking

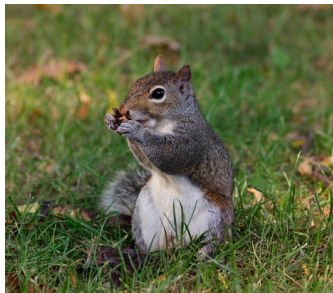

... a cricket jumping

...a robin hunting

... a red-winged blackbird perching

...a squirrel scampering

... a crow calling

... a sparrow chirping

...ants working

... a pigeon strutting
