

# 2019 RI Youth Conservation League Crew Jobs

*Earn Money & Help the Environment!!!!*

**Who:** The Audubon Society of Rhode Island (ASRI) is recruiting high school students & new graduates (age 16-18) for environmental restoration crew positions. Students interested in jobs in the environment, forestry, landscaping, wildlife biology, etc. should apply!

**What:** Crew members will work as a team on projects for land conservation and wildlife management partners including the Audubon Society and The Nature Conservancy. Work will include controlling invasive plants, improving wildlife habitat, light carpentry such as signs and fences, native seed collection, community outreach, & more. The work will be intense & challenging, but very rewarding. *Hardworking teenagers should apply.*

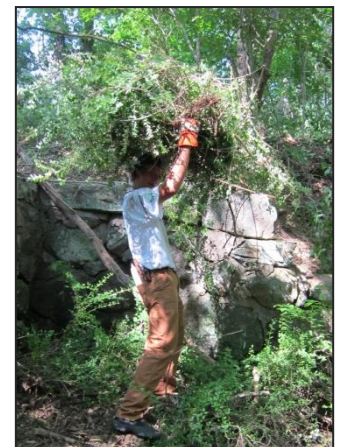

**When:** Monday through Thursday — 7:30am-4pm — **July 8 – August 8, 2019**

**Where:** The crew will meet daily at a central point but work all over the state.

**Why:**

- Spend your summer outdoors!
- \$10.50/hr
- Hands-on experience towards college/job
- Make friends and have fun

**How:** Application forms due **May 10, 2019**. Please visit the website [www.asri.org](http://www.asri.org) for an application or contact Scott Ruhren (sruhren@asri.org) for more information.

*RIYCL is a program of Audubon Society of RI and The Nature Conservancy of RI. Crew are employees of ASRI.*
