

Audubon Society of Rhode Island Program and Transportation Scholarship Information and Application

Thank you for your interest in an education program with the Audubon Society of Rhode Island. Program scholarships are currently available on a case by case basis. Please fill out the application below and we will consider every request.

Transportation Scholarships:

- The funding is offered on a first come first served basis.
- Scholarships may vary in amount depending on the school/group needs.
- Transportation funding may only be used for bus transportation and cannot be applied towards program fees.
- Scholarship applications must be completed by the teacher/program organizer.
- You will receive confirmation for the amount of funding received within two weeks of our receiving your scholarship application.
- Teachers/program organizers are in charge of all scheduling and logistics with the bus company.
- A transportation invoice from the bus company **MUST** be submitted to Audubon's Education Department within a month after the scheduled program.
- Audubon will mail a check to the school for the predetermined amount only **AFTER** an invoice is received and the program has taken place. Checks cannot be mailed to the bus company.
