

Coverts Workshops

RI Coverts Project is an education program designed to help forest landowners promote the development of critical wildlife habitats using sound forest management practices that can make wildlife healthier, more diverse and abundant.

This year, Coverts Workshop is going VIRTUAL due to Covid 19!

And, since we won't be renting a facility or having meals,

The cost of the program is FREE.

The programs will be presented in two online ZOOM sessions.

You may attend the Zoom sessions either by Computer or Smartphone.

Session I on Saturday, November 7th

9:00 to 11:00 a.m.

— 4 TOPICS —

Basic Concepts in Forest Ecology — Forest Insects and Diseases

How to get started on your property — What is a Forest Management plan?

Session II on Saturday, November 14th

9:00 to 11:00 a.m.

— 4 TOPICS —

Basic Concepts in Wildlife Ecology — Applied Wildlife Ecology

Birds, Bees and Pollinators — Forestry for the Birds
