

Audubon Society  
of Rhode Island

## *VIRTUAL* Audubon Programs

Bring Audubon Animal Ambassadors into your virtual classroom!

- 30 – 45 minute programs depending upon age level
- \$90 – 115/program
- Discounts & Scholarships - application available at <https://asri.org/learn/schools/discounts-and-scholarships.html>
- Invite us into your virtual classroom or use our Zoom account.  
(Programs are not taped to protect the privacy of all.)

### **All About Owls** (Grades Pre-K – 2)

Program includes a story about owls, engaging demonstrations of owl adaptations and behaviors and the chance to meet a live owl. Questions and observations are encouraged!

### **All About Owls** (Grades 3 - 5)

Students learn about owl adaptations through engaging demonstrations and discover more about the owls that live in New England and their important role as predators.

They also meet a live owl. Questions and observations are encouraged!

### **Nature Stories with Audubon Animal Ambassadors** (Grades Pre-K – 2)

Programs for young children that include a story, activities and a live animal. Questions and observations are encouraged! Topics include: Hawks, Snakes, Turtles, Sea Life, Plants & Gardens, and Pollinators.

***Other topics under development, so please ask!***

***Looking for something specific to highlight a lesson? Please contact us.***
