2025 SUMMER CAMP

HANDS-ON NATURE EXPLORATION AND DISCOVERY!

asri.org/summercamp

KIDS DISCOVER NATURE AT AUDUBON CAMPS

Audubon Summer Camp gets kids, ages 2½ to 12, outside exploring nature in fields, forests, ponds, streams, and on the coast of Narragansett Bay. Two camp locations provide safe and inviting natural environments for exploration, creativity, hands-on science, and plenty of fun!

A Counselor-in-Training program offers youth ages 13 to 15 an opportunity to build leadership skills and gain experience working with young children. See page 5 for details.

Camp instructors are experienced environmental educators with training in education and natural sciences. A comprehensive background check is conducted on all Audubon personnel. Modifications to camp procedures will be made as needed to abide by the most up-to-date Rhode Island and Massachusetts health guidelines.

Camp offered at
2 Locations!

All Audubon Camps Include...

Nature exploration, meeting live animals, walks through the wildlife refuge, games, stories, arts & crafts, making new friends and lots of outdoor FUN! Creative camp themes keep kids active and engaged every week.

AUDUBON NATURE CENTER AND AQUARIUM BRISTOL, RI

EARLY BIRDS

Ages 2.5-4 • 9:00am-12:00pm

Explore nature with your child or grandchild! Similar to other Audubon pre-school programs, educators will guide you and your little one(s) through indoor activities and outdoor adventures. Circle time, nature stories, short hikes, animal visitors, songs, and crafts will complement each day's theme.

Register in family teams. 1 adult and 1 child \$240 Members, \$290 Non-members; add extra \$50 for additional child- 2 children max (1 extra adult per family team welcome at no cost.)

EXPLORE THE SHORE

Ages 5-6 • 9:00am-3:00pm

Can you spot a horseshoe or hermit crab? A snail or a slippery fish? This camp is all about life in Narragansett Bay, so kids head to the shore with nets, buckets and water shoes to explore salt marsh, tide pool and rocky shore. Beach art, water play, stories and songs round out this salty adventure.

\$350 Members, \$400 Non-members (June 30 - July 3 pro-rated \$280/\$320).

NEW! SPLISH, SPLASH

Ages 5-6 • 9:00am-3:00pm

In this playful and immersive camp, kids enjoy interactive activities related to the bay and ocean. Beach and aquarium explorations, water play, sandcastle making, and creative art all relate to life in and under the sea.

\$350 Members, \$400 Non-members (June 30 - July 3 pro-rated \$280/\$320).

NEW! TALES & TRAILS

Ages 5-6 • 9:00am-3:00pm

Nature is always telling stories if you stop and listen. Explore from plants' and animals' points of view. What's it like to be a red-backed salamander living in the dark, damp, soil under a log? Why does a barnacle stay in one place for its entire life? What is a cricket saying when it chirps? Investigations, puppet shows, stories, and art will weave together the tales that nature tells.

\$350 Members, \$400 Non-members.

NEW! CIRCLE OF LIFE

Ages 5-6 • 9:00am-3:00pm

Animal predators of all sizes keep nature in balance through their amazing adaptations. Investigate the lives of hungry hawks, herons, fox and fish through observations, animal visitors, and creative activities. Water play, games, stories, and art are always part of the plan!

\$350 Members, \$400 Non-members (June 30 - July 3 pro-rated \$280/\$320).

NEW! MAGICAL METAMORPHOSIS!

Ages 5-6 • 9:00am-3:00pm

Be a wildlife watcher and seek out animals that go through amazing changes as they grow. Explore a variety of habitats to learn about frogs, dragonflies, butterflies, crustaceans, and more. Games, crafts, songs and stories are always part of the FUN!

\$350 Members, \$400 Non-members.

DINOSAURS ROCK!

Ages 5-6 • 9:00am-3:00pm

Travel back in time to the prehistoric world of dinosaurs. Learn dinosaur facts and fiction and meet some of their friends and relatives! Uncover fossils, join an archeological dig, go on a scavenger hunt, and more! Games, crafts, and stories are woven throughout the week.

\$350 Members, \$400 Non-members.

NEW! AMAZING ADAPTATIONS

Ages 7-9 • 9:00am-3:00pm

How do living things survive? Let's delve into how plants and animals are designed to grow and thrive in their environment. Investigate the amazing adaptations of local wildlife and Audubon's animal ambassadors. Create your own bio-inspired designs and models using a variety of materials. Water play, games, crafts and songs are always part of the summer camp plan!

\$350 Members, \$400 Non-members.

NEW! INTO THE WILD

Ages 7-9 • 9:00am-3:00pm

Explore habitats where unique and wonderful wildlife live! Use binoculars, magnifiers and other tools to search for colorful birds, croaking frogs, buzzing bees and other wild creatures. Create an Audubon natural history record of all the critters we find. Every camp includes games, stories, and up-close encounters with animal ambassadors.

\$350 Members, \$400 Non-members.

COASTAL ADVENTURES

Ages 7-9 • 9:00am-3:00pm

Narragansett Bay is full of wonder and surprise! Join our marine team and head for the shore to investigate tide pools, salt marshes and the Bay. Drag a seine net, turn over a rock and peer through a lens to discover the amazing marine life found in the Ocean State. Nature games, creative arts, stories and science challenges are part of this marine adventure.

\$350 Members, \$400 Non-members (June 30 - July 3 pro-rated \$280/\$320).

NEW! BURIED TREASURES

Ages 7-9 • 9:00am-3:00pm

Ahoy Mates! Read a map and follow the clues to discover ocean treasures hidden in the sea and sand. Hear the stories and legends of pirates and ocean explorers. Sing some sea shanties, build your own boat, design your own maps, and have tons of FUN! *\$350 Members, \$400 Non-members (June 30 - July 3 pro-rated \$280/\$320).*

MARINE BIOLOGY CAMP

Ages 10-12 • M-Th 9:00am-3:00pm • F 9:00am-5:00pm

The Audubon Marine team will explore life in and around Narragansett Bay using scientific tools and techniques. Campers will try their hand at seine netting, wildlife surveys and species dissection. A day trip to the Narragansett Bay National Estuarine Research Reserve (NBNERR) on Prudence Island will top off this fabulous adventure! On Friday, we meet at the Bristol ferry dock and ride the ferry over to work with expert marine educators who will guide us through explorations of salt marshes, streams, and eel grass habitat.

\$375 Members, \$425 Non-members (prices include ferry ride).

TRAVELING NATURALISTS

Ages 10-12 • M-Th 9:00am-3:00pm • F 9:00am-5:00pm

Hop in the Audubon van and head out to explore wildlife refuges around the state. Hike the trails and investigate various habitats using binoculars, nets, field guides and other tools. Learn about the nature, environmental issues, and native flora and fauna from expert naturalists, scientists, environmentalists and more! Highlights include kayaking with professional guides, and other fun and engaging opportunities. Finish the week with a trip to Prudence Island to explore the salt marshes with the staff of the Narragansett Bay National Estuarine Research Reserve. This camp has a late day on Friday, and it is limited to 12 participants.

\$420 Members, \$470 Non-members (prices include fees such as kayak rental, river guides, ferry tickets, etc.)

NEW! WILD WORLDS

Ages 10-12 • 9:00am-3:00pm

Create magical worlds inspired by nature! Start with a question like "what would happen if an octopus took over the nature center?" Or "what secrets would the forest tell, if we could hear its voices?" A wonderful combination of nature exploration, creative play, art, and storytelling will be used to create unique Wild Worlds!

\$350 Members, \$400 Non-members.

SUMMER CAMP COUNSELOR-IN-TRAINING PROGRAM

Audubon offers a counselor-in-training program for teens ages 13-15 to gain hands-on experience in environmental education and summer camp skills under the guidance of experts in the field.

If you know a teen who may be interested in becoming a camp counselor in the future, this a great learning opportunity. Offered in Bristol, RI the week of July 7-11, 2025 and Seekonk, MA the week of July 21-25, 2025.

\$225 for Members, \$275 for Non-members.
Scholarships available.

FEEDBACK FROM PARENTS

"She loved learning about sea creatures and being in nature!"

"Very amazing experience. My son keeps surprising us with animal facts he learned during his camp week and has increased interest in reading about snakes..."

"We love visiting the Audubon Society as a family and wanted their first camp experience to be focused on nature and at a familiar place."

"He truly loved everything. When I asked what he did every day he said, 'too much to explain' with a big smile."

"Our kids absolutely loved Audubon Camp this past week! You all do a fantastic job."

"They LOVED it. This was a first camp experience for one of my kids, and he was very nervous. He came home happy each day."
