

## Scouts, Seniors, and Community Groups

# NATURE TALKS and LIFE SCIENCE PROGRAMS

## For Scouts SCIENCE, NATURE, AND BADGE PROGRAMS

Look to Audubon for scout programs related to natural history and life science topics. Ask how our educators can help fulfill your troop's badge requirements.

- 90-minute program \$11/scout, \$110 minimum,  
Two-hour program \$12/scout, \$120 minimum
- Three adults free, \$5/extra adult
- Locations: Bristol, Seekonk, Smithfield, Exeter
- Higher awards projects are considered on an individual basis.
- Requests for evening programs are limited to the Bristol location, one-hour, \$10/scout, \$100 minimum.

## For Adults NATURAL HISTORY TALKS

### Programs for Community Groups and Senior Centers

Experienced Audubon educators bring interactive presentations, live animals, and a variety of nature-related talks to engage and enlighten a wide range of groups, garden clubs, and senior adults in the communities where they live.

- One-hour presentations, \$165
- One-hour presentations with a live bird, \$180
- Raptor Encounter\* with two birds: 40 minutes, \$300
- Raptor Encounter\* with three birds: one-hour, \$400
