

Audubon Society of Rhode Island

JOB DESCRIPTION

Position Title: **Wildlife Refuge Manager - East Bay Region**
Supervisor: Director of Properties
FLSA Status: Full time – Exempt
Date Prepared: 2023
Salary:

Summary of Position:

The Wildlife Refuge Manager – East Bay Region is an experienced, passionate, and inspirational leader who directs Audubon Society of Rhode Island's programs and land stewardship on public properties, including Caratunk, Touisset, and Ruecker wildlife refuges. The Wildlife Refuge Manager encourages innovation and creativity and inspires donors and volunteers to work together to achieve the goals of engaging new audiences, addressing the effects of climate change, and protecting and stewarding natural habitats

The Wildlife Refuge Manager brings Audubon's mission to life, engaging all people in the appreciation, education, and protection of wildlife habitat. The Manager manages the properties to ensure inclusivity and that all are welcoming and free of obstacles, trash, encroachment, and other issues that would prevent people from having access to and connecting with the natural world.

Duties:

- Primarily responsible for the Caratunk, Touisset, and Ruecker wildlife refuges;
- Oversee the wildlife refuge trail system and ensure public wildlife refuges are free of obstacles, trash, encroachment, and other issues that would prevent more people from having access to the refuge on a weekly or on-demand notice from the Director of Properties;
- Oversee the maintenance of buildings and structures at responsible refuges, secure all required permits as needed, secure contractors for plowing, cleaning and other essential services to maintain the buildings and grounds;
- Supervise the Caratunk House Caretaker, ensuring the minimum weekly volunteer hour commitment is fulfilled and reported to the Director of Properties;
- Participates with the Science and Advocacy project teams on wildlife surveys, inventories, data collection, and other issues involved with the Society's land holdings;
- Participates with the Education and Outreach projects team on refuge education programming and refuge-related education issues and provides a limited number of natural history programs for members and the general public at the various wildlife refuges to meet budgetary projections;
